

CARD DESIGN SERVICES

Need something beyond our standard designs?

Let Salamander design a card template specific to your organization's needs.

IDEA
Share your vision and requirements.

DESIGN
Our team creates a custom template.

DELIVER
Get a ready-to-use file to upload to Print Control.

DESIGNED... JUST FOR YOU

Work one-on-one with our creative team to create and design a card for your specific event or organizational needs. Once the design is finalized, we will get the file in your hands within 72 hours (on average). Customized pieces can easily be uploaded to the Print Control for immediate use.

Endless Customizable Features:

- Photos
- Logos
- Signatures
- Barcode Placement
- Color Variations
- Legal Messaging
- Hole Punch Options

Most Popular Card Types:

- Standard Hard Cards
- 3-Up Breakaway Cards
- Equipment Labels

And if you want to save another step, we can hole punch and even provide holders and lanyards, so you are ready to go.

Basically, if you can think it, we can do it.

Custom Cards for Every Need.

CARD OPTIONS

PVC ID CARDS

Our most popular card option. Professional, durable photo-ID credentials with optional punch holes and double-sided printing. Ask about color options! for your organization.

3-UP BREAKAWAY CARDS

Three detachable "key fob" size cards, perfect for tagging both people and equipment. Keep one with you, one in your vehicle, and place one on the board during an event.
